Assistant Commissioner of Patents

Sir:

Applicants submit herewith one (1) sheet of drawings with proposed drawing corrections to Figure 2. Specifically, Figure 2 has been amended to show the display unit 17. Since the display means 17 is fully described in Figures 8-11 and on page 17, lines 16-17 and page 32, lines 21-24 of the specification of the parent application (application number 09/725,498) as originally filed on November 30, 2000, Applicants believe that no new matter has been added by this amendment to the drawings. Approval of these proposed drawing corrections is respectfully requested.

Respectfully submitted,
